W...
Well...
Um...

I... Is she
asking me
to go to the
beach with
her?

Are you
planning to go
to the beach
this summer?

I...I'm
going to
the
beach
with a
friend
tomor-
row.

I should tell
her I already
have plans.

By any
chance...

Oh really?
Lucky!!
But...

Ngah!!

Are you
going
with your
girlfriend?

... W... What
are you talking
about? I... I
don't have a
girlfriend...

Come to
think of it--

I should
be all set for
tomorrow's
date with
Chiharu at the
beach.

Got my
bathing
sult.

Also got a
towel...

Long
time no
speak,
Densuke!!

Hello?

I wonder if
it's Chiharu
calling about
tomorrow?

—I'm so glad
I asked her
on a date.

I... I hope
she's not
going to ask
to hang out
tomorrow...

W... What
are you
doing for
summer
break?

G... Good
to hear
from you,
Miharu.

Th... This
chipper
voice...

I... I see...

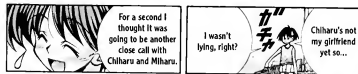

I want to
concentrate
on my art
projects in
the fall so...

I need to
save up
now.

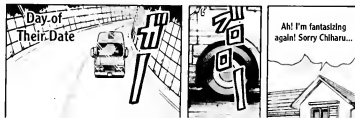

P..
Phew!

I'd rather
ask you out
on a date
tomorrow
but...

I've been
working
everyday.

Densuke's summer fantasy...

Thank you for bringing me to such a beautiful place, Densuke.

Yup, we're here!

It's beautiful!

Are we swimming here?

S... She's happy. I'm so glad...

Oh... Um... Sure...

We're going to get even closer and...

Look! It's an octopus!

I'm so glad I did my research on this place. Instead of wasting time watching martial arts matches!

All right, her initial reaction was good.

You can do it, Densuke.

I... I see...

Yeah, I wore my bathing suit underneath my shirt.

You're already changed.

Over here!

Oops, I was fantasizing again.

Densuke!

Ah!

Also going to the same beach as us?

Is everyone on the bus...

Ah...

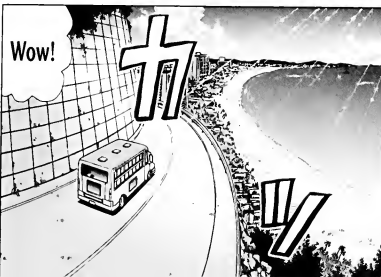

Yeah, the beach where we're going today is a really popular spot for couples.

S... Sure, I'll have some.

Um... Do you want another cup of tea?

Wow!

It
tastes
great!

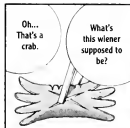

D...
Densuke,
not so loud...

Mmm!

Chomp.

It looks yummy! I'd feel so
bad if I didn't finish it!

Oh...
That's a
crab.

What's
this wienie
supposed to
be?

Hey,
Chiharu...

You're
exag-
gerat-
ing...

Sorry. It was so
good I couldn't
help it.

Yeah,
I found out
how to cut it
recently.

Ohhh! I
didn't
know you
could
make crab
wieners!

A cute
girlfriend that
I can share it
with...

Aaa...I'm
such a lucky
guy...I have a
homemade lunch
and...

Don't feel
like you
have to
finish it.

I woke up
really early
and I ended
up making
too much.

W... We're
getting along
great.

Let's have
some lunch.

Okay!

Let's go swimming again...

I'm sorry. I should have gone with you.

Y... yeah. Thanks, Densuke.

O... Okay...

I was able to borrow a bathing suit but it's really small so... I'm kind of embarrassed...

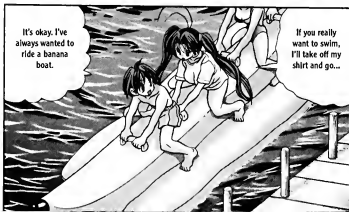

S... Sure but I...

D... Do you want to ride the banana boat?

Yeah, there's no way they'd have a bathing suit that would fit her...

What's wrong Chiharu?

It's okay. I've always wanted to ride a banana boat.

If you really want to swim, I'll take off my shirt and go...

?

S... So there you have it!

I'll see you later!

They couldn't make it so...

I'm swimming by myself.

W... We were planning to meet here but...

I have to find Chiharu.

Anyway, I need to make sure Chiharu and Miharu don't bump into each other.

I wouldn't have guessed Miharu was working here...

Huff Huff

D... Densuke...

C... Chiharu!

I... I...

You're alone, right?

Hey cutie.

Are you okay?

Lame, she's with someone.

Yeah, she was really cute so it makes sense.

I'll buy you a drink.

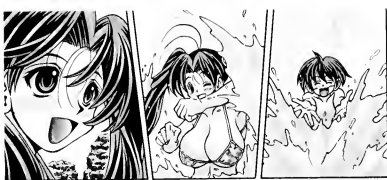

Don't be so scared.

Ch... Chiharu...

Th... This may
not be bad
after all...

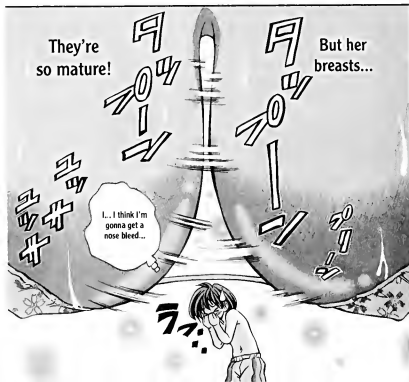

She acts like
a little kid.

She looks
like she's
having fun.

They're
so mature!

But her
breasts...

... I think I'm
gonna get a
nose bleed...

That's the
biggest
bathing
suit they
had!?

Plump

Plump

Chiharu knows I still want to
hang out even though she's
embarrassed. I have to make
an effort to not look.

O... Okay, let's
go hang out!

We still
have lots
of time.

Densuke...

... I'm ready.
Let's go hang
out.

Yes, I'm kind of hungry.

Do you want to get something to eat?

I... I need to figure something out...

Sure thing!

Can we get two takoyaki please?

Here you go!

Aww... That smile is just for me... She's so cute...

What do you want to do, Densuke?

Aa...

I still have to work so I'll meet you at the entrance to the festival.

U... Um... Well...

Yay!
I'm glad I asked.

Densuke.

At this rate, they're going to bump into each other!

Now I have to go to the festival with her...

W... What am I going to do...? I didn't mean to say yes...

W... What am I going to do?!

L... Let's put our stuff in the locker...

?

L... Let's get going Chiharu...

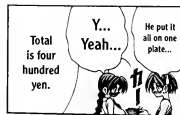

Y... You're ready?

Sure!

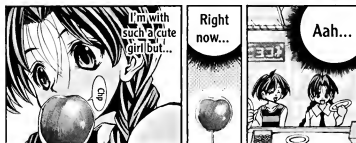

Do you want to hang out? We have some time until the fireworks.

Wow, this festival is pretty big.

There's a lot of shops out.

Oh, then it's better if you reach over more.

W... What
am I going

B... But
Miharu
and
Chiharu...

She's so
kind!!

S...
Sure...
Um...

It's just
us today.

Oh, no
one's
home.

She's
usually a
lot shyer!

She's not

at all!

Eh!!!

Chiharu's in the
advanced class,
so I'm sure
she's finished
most of it.

I need to
concentrate.
I haven't
done much of
my homework
yet.

No... I can't concentrate
because it's just us. My
head is spinning.

What the...!? What's with
Chiharu today?!

N...
Nothing...

What's
wrong,
Densuke?

Don't stare at her.
It's summer and
she's home. Of
course she'd wear
something more
casual.

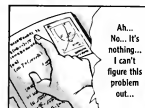

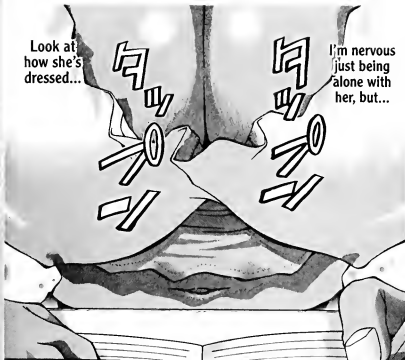

Um... C...
Chiharu...

Here,
come in!

W... Where's
your family
today?

Ah...
No... It's
nothing...
I can't
figure this

What's
wrong,
Densuke?

Chiharu's

looks even bigger.

Chapter 65: Butterfly kickers

Matsu talk

It's volume 8!!! These are the videogames that I'm playing as of the end of October.

Popolocrois 2: I played the first one awhile back but this one is great.

Ace Attorney: I sometimes copy it and say, "I object!"

Star Fox Adventure: I love how fluffy he is.

Mario Advance 3: I love Nintendo...

Detective Saburou Jinguji: The sequel came out so that made me happy.

Gigantic Drive: Robots!!

Tekken: It's like an arcade game and it's awesome!!!

On a separate note, I feel like my manga is starting to become repetitive plotwise.

I've been
playing a
lot of
games
recently...

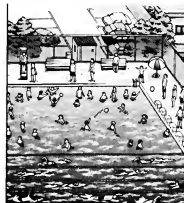

Also, it's being turned into an anime, yay!!

Chiharu didn't see me swim when we went to the beach either.

We have to swim 100 meters for a phys-ed exam when we get back to school... Let me try it again.

I don't know

to teach you
well, but...

It wouldn't be many

They're
looking up
to me...

Yes!

L... Let's try
swimming
together.

We're counting
on you coach!

Um... We're
practicing
together, so
please don't
call me
coach.

I can't
swim!

Bwh!!

But I'm sure
they'll figure
it out when
they see me.

I didn't get
a chance to
tell them that
I can't
swim.

Let's go on
the count
of three.

One, two,
three!

What a
coincidence
that you're
hanging out
at the pool.

Aah!!!
Sorry
Professor!!

I... I'm so
sorry! That
was so
indecent
of me!

Eh...
Well...
Um...

Did you
come to
practice as
well?

We came
to practice our
swimming.

No,
you're
wrong.

Oh really?

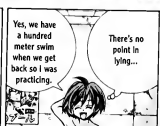

Eh...

Not at all,
it's really
tough.

C... Can
you swim
100
meters?

Yes, we have
a hundred
meter swim
when we get
back so I was
practicing.

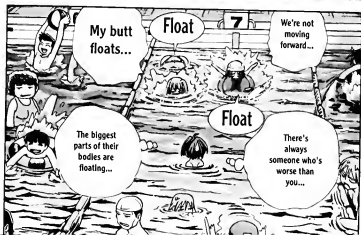

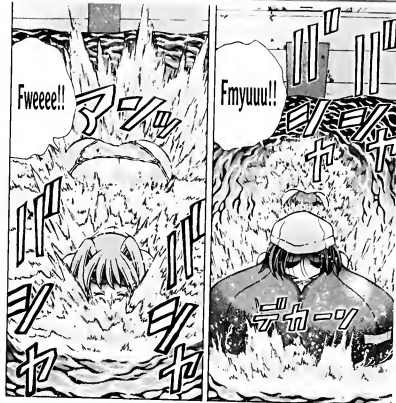

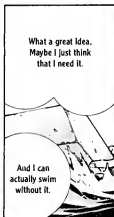

There's no
point in
lying...

Ehhh!!

P... Please
show us how
to swim.

That's amazing,
Densuke. I'm so
impressed!!

That means I have to do it...

Egg!!

Egg!!

It's CPR!
It's just CPR!!!

There's no time to waste!!

Y... Yes, I'm fine.
S... Sorry, Densuke...

I'm so glad, Komoe, are you all right?

Komoe!

I got water in my eyes!

Fmee...

I see...

Actually, I can't swim either.

Oh, I didn't get an opportunity to tell you but...

Let's practice little by little.

No, it's my fault for egging you on.

She's completely panicking...

Awa wawa...

That's right, Professor!
We need to give her CPR!

Maybe they're attending to someone else...

Komoe... Komoe...

「ハ... ハズカシ〜...」

S... She totally saw my goods...

I need to buy better swimming shorts with a tighter string...

Eek! S... Sorry, Densuke!

I... I'm sorry too!!

Ah!! A... Anyway! Professor!

Oh my god, Densuke!! Komoe is...!!

Th... They're gone!!

W... We need to get the lifeguard.

W... What should we do?

Did she drown and swallow water?

I was also telling myself that...

Pwhh!!

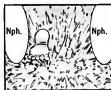

Four, five, six, seven... I acted cool but...

Butt

And then I'll ask Chiharu...

One day I'll muster the courage and become a man...

That's amazing, Professor!

I finished too!

Yay!

I did it!

That's amazing, Komoe! You swam ten meters.

This also applies to me...

I also realized this, and...

Let's practice together!

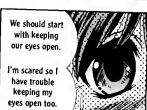

Um... so...

All we need is a little courage.

I know it doesn't mean much coming from me, but I think we have to overcome our fears.

We should start with keeping our eyes open.

I'm scared so I have trouble keeping my eyes open too.

Courage...

A little...

Courage...

A little...

First, let's go underwater and get used to that.

You're right, Densuke.

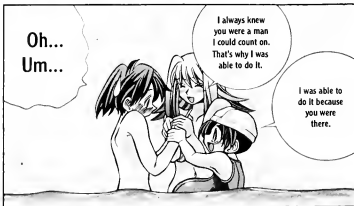

I'm a scardy-cat, but I'll try too!

No, that's not it.

N... No... I didn't do anything... You guys are the ones who worked hard...

Oh... Um...

I always knew you were a man I could count on. That's why I was able to do it.

I was able to do it because you were there.

I really didn't do much...

It's embarrassing to be told that.

I still can't even swim five meters...

I was able to help them but I didn't do anything to help myself...

Pwah!!

Next Day

Thank you, Densuke. I was able to do it because of you.

... I was able to muster up my courage thanks to you.

Cover of Volume 8

As this volume is about the student government, I decided to put everyone in the Eiken club on the cover. When you have a lot of characters you use a lot of different colors. It took me an entire day to finish it.... Losing a day is a big deal in the weekly publication world!

Back of Volume 8

Chou Ginten and Isouda. It took me a while to decide the colors. When it's digitized you can change the color as many times as you want. Digital is so great!

Sweepstakes Giveaway Calendar

This also took me awhile to finalize the color... Someone teach me how to paint in a couple of hours, please...

Y...Your new uniform?
Other than the ribbon, the rest is a bathing suit...

I'm bored so let's go spy on the others and get them.

S... Spying?

Aren't you interested in how Chiharu spends her afternoon?

Eh...

All right! It's set! Let's get the others.

N... No... I'm not...

Kirika Misono is here in her new uniform!

K... Kirika!

Huh?

Hello!

I wonder if everyone is still in class?

The semester just started so...

No one's here...

Agaaa...

Y...
Yuriko!!

When she came here she was popular with both the boys and girls so Kirika Misono recruited her.

The girl is Chiharu Shinonome, 1st Division 1st year. She's at the top of her advanced placement class.

There's not much information on him so we're currently investigating.

The guy is Densuke Milune, 1st Division 1st year.

I...

We need to get rid of this club. It's an embarrassment to our school.

Seems like Eiken club increased their numbers and were doing whatever they wanted while I was gone.

Thank you, Isoude. You did well running the student government and researching the Eiken club while I was away.

Aiee!!

Ee!!

Yes... They joined the club while you were away.

Who are they?

Isoude.

Densuke hasn't changed.

Aah! S... Sorry, Chiharu...

Ah... D... Densuke...

He never learns.

Student government, treasury president

Chou Ginten

Student
government,
treasury
president.

Yeah, then you wouldn't know.

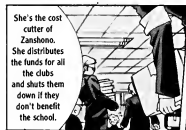

Y... Yes.

Oh right... You're a first year student right?

What happened?

I... I don't understand what's going on...

She's the cost cutter of Zanshono. She distributes the funds for all the clubs and shuts them down if they don't benefit the school.

I don't know why, but she was away and now she's back.

Do it!

She's the Student Government Treasury President, Chou Ginten.

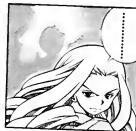

B... But...

Eh... Yeah... Thanks...

Ar... Are you okay?

Thank you.

Treasury President. There will be an academy board meeting at 16:00.

If your club doesn't benefit Zanshono Academy, there's no need for your club.

You spend seven thousand dollars a year in club funding yet you lose at the first round at the nationals consistently.

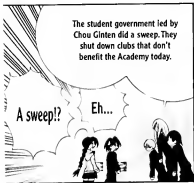

I actually get my hands dirty and turn a profit for the school!

Don't forget that!

Unlike you guys, who worry so much about how the public will perceive the board...

The student government led by Chou Ginten did a sweep. They shut down clubs that don't benefit the Academy today.

A sweep!?

Eh...

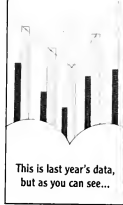

Y... You were shut down? But this area was lively just this morning.

Yes.

Let's go seize the property of the final club, Isouda.

This is last year's data, but as you can see...

As a result, we had a fifty percent increase in applicants for the sports division this year and netted a profit of approximately one hundred and fifty thousand dollars.

Out of these, five clubs made it to the nationals and were ranked within the top eight.

It was an annual savings of approximately seventy five thousand dollars. We used that money to recruit exceptional athletes for each sports club.

By shutting down the Kabaddi Research Society and sixteen other clubs...

Increasing the number of students and hiring more faculty members... Isn't this your job as board members?

Due to the low national birth rate, the total number of students is half of what it was ten years ago.

There's no need to worry. I've already gotten his approval.

H... Hello...

Student Government President: Tetsuya Mugino

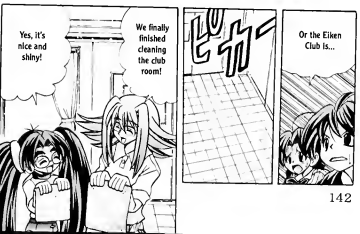

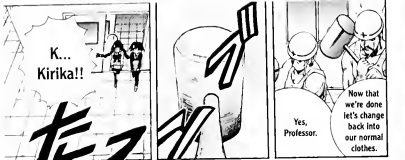

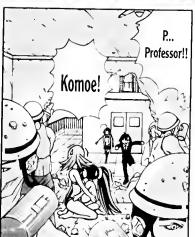

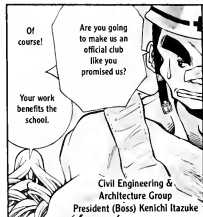

Considering this is a small city it makes sense but...

Eight percent of the Zanshono city public workers are the school's staff...

T... True but...

Did you get the final approval of the Student Government President?

Why don't you
stop beating
around the
bush and face
me head on.

I'm the one
you have
issues with.

Who said our
club "Does not
benefit the
school"!? 

It's about time

As of 16:50

Y...
Yes...

W... Why...

The club...
The club...

Why are

C... Calm

And the club
has been

W... Well, the clubroom was torn down but...

I.... I've never seen Kirika mad...

Everyone is worried too... I... I have to do something.

Ghe!!

Good thinking, Densuke. ♥♥

Densuke...

Densuke...

P... Professor...

All right, let's hop to it then!

Y... You know her, Kirika?

We'll be closing off the roof tomorrow so please vacate the area.

Seems like you were running wild while I was away, but that ends today.

Beating around the bush? I'm just shutting down useless clubs.

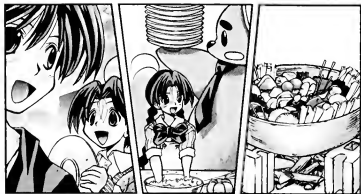

If she comes after me, fine! But how dare she do this to my friends!

You can say that...

Damn it!!

As far as I can tell he's one of the core members of the club, probably after Kirika...

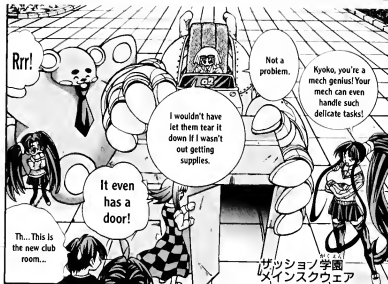

That boy... Densuke Mifune was it?

I doubt the Eiken club will go away even after their clubroom is torn down but...

I made sure I have a back up plan.

Yes, he was forcefully recruited by Kirika Misono this past spring.

Zanshono Academy Main Square

We'll just rebuild it if it gets torn down.

I'm okay as long as Densuke is okay!

I couldn't believe the club room was gone.

Good, we're all here.

I brought wood too!

Kirika, we got food!

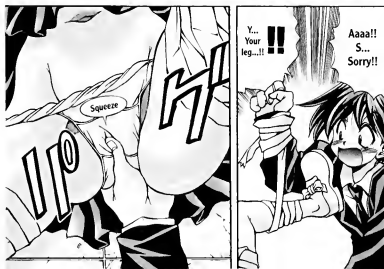

What do you think? We're having a Nabe party! Hurry up and help everyone out!

What's with all this food?

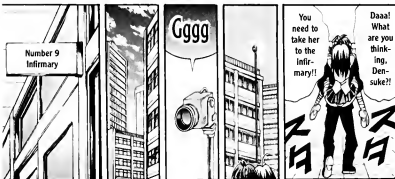

By the way, Kirika...

Oh... I was just trying to get to my club room. I thought you were in a rush too. Are you okay?

W... Well...

Y... You're from the occult research society?

So you're into the occult.

Y... Yes... I'm the club president.

Can you see ghosts and hauntings?

Th... Thank you.

Nn... B... But are you okay? It looked like you were in a hurry.

I'll be fine if I lay down for a while...

N... Not at all... It was also my fault...

There you go...

Th... Thank you.

Oh... Um...

What are you looking for?

Hmm... I wonder where it is...

Oh... I can do it myself...

I think the nurse already went home.

It might hurt but it'll be okay...

Y... You have to rest...

Aa...

You scraped your knees when you fell. We should disinfect it before germs get in.

It... It's probably bad that I can't see anything.

Even if I love the occult...

Y... Yes...

Is... Is it the Student Government?

I somehow managed by myself but...

Lately...

That's probably the reason why I'm the only member since the last president of the club graduated.

Eh...

I know a bunch of clubs were shut down to get to the Elken club but... I wonder if Hikaru's club was one of them...

I have to get more members this week or else the club will be shut down.

Our goal is to distance Densuke Mifune from the Elken Club.

She should be able to pull in Densuke Mifune without effort.

There's no need for that.

Don't you have to give orders to her?

I didn't make her take a communication device anyway.

Club Monitor Committee Member, Hikaru Daizenji!

Once a core member leaves, the Elken club should fall apart easily. You can do it. You know the Occult Research Society is on your shoulders!

学生会中央監視室

Student Government Central Command Room
(Used to be the Broadcast Club Room)

But if I don't recruit new members...

You're still sick.

Y... You shouldn't, Hikaru.

The Occult Research Society will...

T... The Student Government told me...

The club won't be shut down if I can recruit just one member...

I heard that the Student Government has been shutting down a bunch of clubs to shut us down...

Aa... N... No, you're mistaken...

It might be the club I'm in... The Eiken Club's fault.

I... I'm sorry, Hikaru.

B... But you're still not well...

Th... That's why I have to recruit so many new members...

My club was warned last year by the Student Government.

S...
She's
so
dedi-
cated...

B...
But
she's
such a
fragile
girl...

H... Her
legs are
shaking
but
she's
trying
to go...

That's
why I
have to
go...

Chuckie...
Impressive,
Hikaru...

You're not
acting, so your
tears are making
Densuke's heart
waver...

I... I will...

If she can
avoid the club
getting shut
down by
recruiting one
member...

You will
drop the
hammer of
justice on
the damn
Elken
Club!!

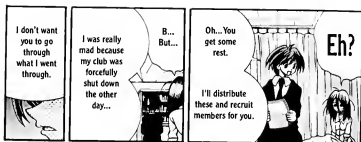

Now,
say it,
Den-
suke!

Occult Research Society:
Recruiting members

I'll
take this,
Hikaru.

I don't want
you to go
through
what I went
through.

I was really
mad because
my club was
forcibly
shut down
the other
day...

B...
But...

Oh... You
get some
rest.

I'll distribute
these and recruit
members for you.

Eh?

L... Let me
see what I
can do!!

I can see
how much
you love
the occult.

I don't
know much
about the
occult but...

As long
as you have that
feeling, you can
continue the
Occult Research
Society no
matter what.

To Densuke Mihune

Thank you for all your help to save the Occult Research Society. I will definitely repay you one day.

Hikaru Daizenji

She's gone...

Huh?

Hikaru! I don't know if it'll work, but we did everything we could!

I see.

That's what he taught me.

I thought I could continue the club, even if it doesn't officially exist anymore.

I wasn't expecting a closing letter from you...

Huff...

Huff...

The annual fifty thousand dollar budget that was provided to the Occult Research Society was always returned so...

It really doesn't matter if the club continued or not.

N...
No...

I see you chose to close the club yourself rather than have the Student Government shut you down.

Phs

Thank you for your kindness.

Densuke...

Thank you...

I can't believe the way she's dressed.

It's fine. It's fine.

No, Densuke!!

It's not fine at all!

Jump Boob!!!

Or else!!

No one's here yet.

I got here too early...

Sigh...

It's happening!
♥♥♥

I wish something exciting would happen.

It's so boring...

Let's jump rope, Densuke!

Because

It's...

How was I able to do it?

How?

You need to act more surprised!!

I made you a member under the orders of the Student Government.

Gyaaa!!

女優 (Sho-yuu) だから!!!! (I'm an actress!!!!)

I'm an

actress!!!!

Ehhhhh! H... How did you...?

Hah hah hah... Seems like you're surprised.

A girl who is about 140 cm tall suddenly turned into a beautiful tall slender woman!

Ngaaa!!

It's because of my graceful acting skill!!!

Gyaa!!

T... Thank you. You saved me. Are you Theater Club members too?

You must be a new member.

Oh it's a wet towel...

Run? Don't you know the iron rule here?

F... Forced? W... Why didn't you run?

Eh!?

Yes, we were forced to join the club by Lady Yuu just like you.

Look.

The iron rule...

Now that you're a member...

You must react and enhance my graceful act!!

You already signed in while you were asleep.

S... Student Government?

You're not screaming enough!!

There's no use in running....

S... She said she was under the orders of the Student Government... I... I need to get out of here.

M... My butt is so swollen, I can't stand.

That means the Eiken Club is in trouble...

I wonder if this is a part of the plot to close the Eiken Club...

Owww... W... Why am I suddenly a member and have to get my butt whipped...

Swell

Just as you
use the club
members so
you can please
your ego as an
actress--

—I will use
you to
destroy the
Eiken Club!!

She has
captivated
Densuke with
her acting.

She's so good,
Hollywood wants her.
All the members end
up staying after
seeing her on stage.

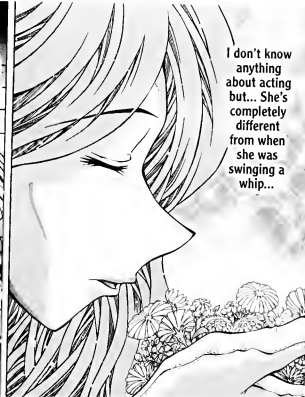

Aaa! There's no
time to watch a
show. The
Student
Government Is
involved.

I better get out
of here fast!
The Eiken Club
might be in
trouble...

S... She's
like a real
princess...

I don't know
anything
about acting
but... She's
completely
different
from when
she was
swinging a
whip...

Veve

Chuckie.
Amazing
Yuu.

Veve

I can
under-
stand why
people
stay...

S... She's
really
beautiful...

Act II
will
begin.

M... My
underwear...

A true
actor can
bare all.
You need
to learn
that.

I can't
run
away...

Uhh...
She
took my
clothes.

Achu!! Achu!!

Daaaaa! There's
no time to
hesitate! I need
to get dressed!!

They're all props... The
only thing I can wear
is a female uniform...

She's on stage. Now's my
chance to run away. I'm sure
I'll be okay if I make it out
and find Kirika.

I wonder
if there's
anything I
can wear...

I don't
have time
until my
next act!!

You're still
learning so
learn by
watching
me act!!

You're a
theater
club
member
now!

Ge!!

Where do
you think
you're
going?!

Hiee!! She
found me!!

I'll take your
underwear,
so you don't
run away.

Aaaaaa!!

Oh,
that's
right.

Aaa!!

Aaa... Give me more light...

Ah!!

Now, be in awe. Clap as loud as you can and let me feel glorious...

I will receive a thunderous standing ovation.

After this scene...

What is this dirty girl doing...? She probably couldn't resist the urge to see me up close and came on stage.

Aah!!

It's fine. The audience only has eyes for me anyway.

Moonie

Oh...
Oh no!

...
!?

A...
Anyway...

Where's the exit...

!!!

Kirika used to make me dress up as a girl and no one figured it out...

I'm not wearing any underwear so it's breezy down there...

I don't want to wear this, but this might work.

!!!
Aaa!!

I... I can't see...

Aa!! It's suddenly gone dark!!

!!!
Ow!!

H...
He's
acting
like a
real
fujoshi...

He's a
natural!!
He's
honestly
embarr-
assed!!
He's
showing his
butt like a
true
fujoshi!!

He
stole the
show
by
becoming
a
fujoshi...

Aa!!

I lost!!

This is
not a

Blood Type: A-

Bust: 79cm (B cup)

Waist: 53cm

Height: 80cm

Matsu: The last boss of the Student Government

chapters. I had this character in mind before the manga was serialized. I drew the Student Government chapters wanting to have a change of pace from the usual Eiken tone but it was really difficult.

Character Profile

Mikito Shinonome

2nd Division 3rd Year

Height: 159cm

Weight: 45kg

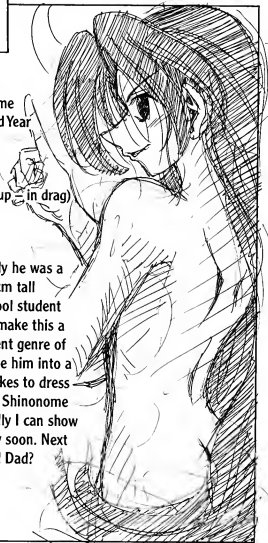

Blood Type: O

Bust: 97cm (I cup in drag)

Waist: 55cm

Hip: 82cm

Matsu: Originally he was a handsome 180cm tall elementary school student but that would make this a complete different genre of manga so I made him into a character that likes to dress up as a girl. The Shinonome family... Hopefully I can show the entire family soon. Next up are Mom and Dad?

Hikaru Daizenji

1st Division

2nd Year

Height: 146cm

Weight: 31kg

Blood Type: A

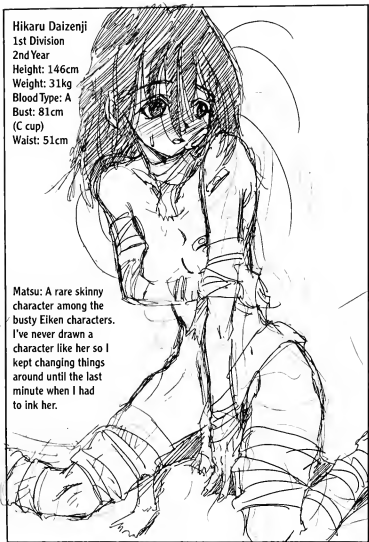

Bust: 81cm

(C cup)

Waist: 51cm

Matsu: A rare skinny character among the busty Eiken characters.

I've never drawn a character like her so I kept changing things around until the last minute when I had to ink her.

Isouda

1st Division 3rd Year

Height: 175cm

Weight: 55kg

Blood Type: O

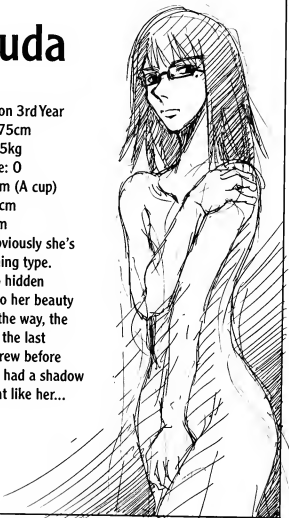

Bust: 79cm (A cup)

Waist: 59cm

Hip: 82 cm

Matsu: Obviously she's the scheming type.

There's no hidden meaning to her beauty mark. By the way, the boss from the last manga I drew before Eiken also had a shadow like servant like her...

Yuu Kurunome

1st Division 3rd Year

Height: 189cm

Weight: 55kg

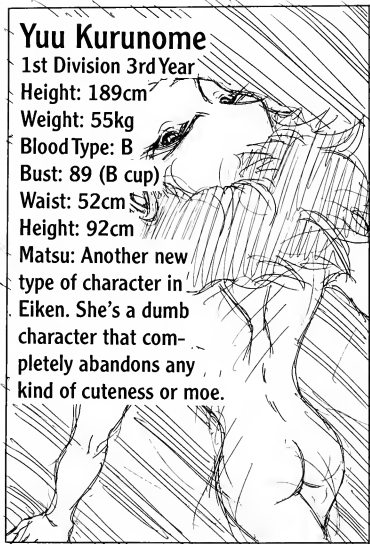

Blood Type: B

Bust: 89 (B cup)

Waist: 52cm

Height: 92cm

Matsu: Another new type of character in Eiken. She's a dumb character that completely abandons any kind of cuteness or moe.
